247X (Utility) Token

The Crypto Token For the Creator And Entertainment Industry

Issue 247X, a multi-purpose crypto token for the Creator and Entertainment Industry that simply offers more than traditional crypto tokens.

Through a ICO (Initial Coin Offering) we aim to **raise €7,500,000** during Pre-Seed, Seed, Private Sale and Public Presale rounds on the Polygon Blockchain.

After finalizing the ICO Token Sale, 247X will be listed on Tier-1 Crypto Exchanges (DEX and CEX) for public trading purposes.

247X Tokens will be fully integrated into the 247X Tokenized Entertainment Ecosystem to create Proof Of Concept before offered to our Partners, 3rd Party Content Monetization Platforms and Creators worldwide.

With 247X Tokens we aim to create a new standard as payment and payout solution which comes with incentives and benefits for all stakeholders involved in the Creator and Entertainment Industry.

247X Tokenized Entertainment Ecosystem

247X Is A Web3 Entertainment Startup (Pre-Seed)

Our aim is to create a tokenized entertainment ecosystem to connect and facilitate Creators, Brands, Fans, Subscribers, Partners and Investors with On-Chain (live) Entertainment, AI (Artificial Intelligence), Content Monetization, DeFi, Investment and Social Community features.
